

## **KCIA AIRPORT ADVISORY**

**DATE:** October 17, 2003

**TO:** King County International Airport Tenants  
distributed by e-mail and fax

**FROM:**   
Robert I. Burke, AAE, Airport Director

**SUBJECT: TRIENNIAL EMERGENCY EXERCISE – OCTOBER 25, 2003  
(SATURDAY)**

In a continuing effort to provide KCIA Emergency Responders with the training and emergency preparedness necessary for an airport disaster, the FAR Part 139 mandated triennial disaster exercise will take place on **October 25, 2003 (Saturday) from 0600 – 1300 (local time)**. This multi-agency emergency response exercise will give effective familiarization of an airport disaster to airport personnel, airport police, EMS, fire rescue, law enforcement and other supporting emergency response groups.

Preparation of the accident site will commence at 0600 (local time). The drill commences at 0800 (local time) and demonstrates a flight of 30 passengers experiencing flight control problems and subsequently crash landing along **Taxiway Bravo between the B1 and B3 taxiway intersections**. When the drill begins, agencies will focus on triage, emergency medical care, transport to area hospitals, fire fighting and emergency operations center (EOC) activation.

Please be aware of the following closures and restrictions:

- Taxiway Bravo **closed** between B1 and B3 from 0600 – 1300 (local time).
- B1, B2 and B3 taxiway intersections **closed** from 0600 – 1300 (local time).
- The first 2800 feet of Runway 13R **closed** to aircraft with a wingspan greater than 118 feet from 0600 – 1300 (local time). The first 2800 feet of Runway 13R will remain open to aircraft with wingspan less than 118 feet.

**Please notify your staff and customers of this event, as we do not want to alarm or panic anyone with the site of numerous emergency response vehicles and mock aircraft wreckage on this day.**

**PLEASE CHECK NOTAMS DAILY FOR CHANGES.**
